- **InfoTrac Student Edition** provides 24/7 access to reliable, authoritative content for classroom assignments and general reference research. Search results may be viewed by Subject, Document Type or Publication Title
- Students, parents, teachers and other researchers can quickly search millions of articles, full-text content from 16 major references and hundreds of maps to complement papers, projects, presentations and much more
- Specifically designed for secondary school students, providing instant access to screened, age-appropriate content from magazines, newspapers and reference books. The ideal alternative to random Web searching, **InfoTrac Student Edition** covers a wide range of subjects, from science, history and literature to sports and environmental studies, offering reliable, authoritative content for classroom assignments and general reference research

Features include:

- 1200+ full text titles, up to 9 million articles, updated daily
- Text-to-speech technology to bridge reading level gaps
- Lexile reading levels accompany periodical articles
- 10+ Handy Answer series titles from Visible Ink Press targeted to address queries that children typically have with enough depth and detail to satisfy the curiosity of aggressive young inquisitors
- Cross-searchable with **InfoTrac Custom Newspapers** if subscribed to. If you are not a subscriber, this collection of 6 national and 2 regional newspapers can be added for £305 + VAT (*please contact us for details*)

"An ideal resource, encouraging the use of good e-resources at this particular time when universities are complaining about students going into 1st year with poor research skills ie Google and Facebook, more than justification for us to go with such an excellent subscription"
Librarian, St Georges College
